

MID DAY MEAL PROGRAMME:

Mid Day Meal Scheme which is flagship scheme of the Govt. of India is implemented in the state by providing hot cooked food to all Government & Government aided Primary and Upper primary school and AIE Centres in the state. The scheme is strictly in accordance with guidelines from Government of India. The nutritive value of meal is as per the guidelines prescribed. The hot cooked meal is served during recess time of the school for six working days of the week. The food supplied in the form of Bhajipao, Vegetable pulao and sheera. Each meal contains 450 calories and 12 gm proteins for primary students and 700 calories and 20 gm proteins for Upper Primary students.

The quality of food supplied at the school is tasted for quality everyday by a teacher and one member of the Parents Teacher association before serving to the students. Besides the Adult Education Supervisors of the taluka, supervises 5 schools every day and examines the food for its hygienic condition. The nutritional officer also checks the quality of food and the nutritional value
