GOA AIR (PREVENTION AND CONTROL OF POLLUTION)

RULES, 1989
(As amended by series I No. 44 dated 29/01/2004)

Department of Science, Technology & Environment

In exercise of the powers conferred by sub-section (1) of section 54 of the Air (Prevention and Control of Pollution) Act, 1981 (Central Act 14 of 1981), the Government of Goa, in consultation with the Goa State Pollution Control Board, hereby makes the following rules, namely:

CHAPTER I
Preliminary

1. Short title and commencement. - (1) These rules may be called the Goa Air (Prevention and Control of Pollution)(Amendment) Rules, 2003.

(2) They shall come into force at once.

2. Definitions. - In these rules, unless the context otherwise requires, -

(a) "Act" means the Air (Prevention and Control of Pollution) Act, 1981 (Central Act 14 of 1981);

(b) "Board" means the Goa State Pollution Control Board constituted under section 4 of the Water (Prevention and Control of Pollution) Act, 1974 (Central Act 6 of 1974);

(c) "Board Laboratory" means a laboratory established or recognized as such under sub-section (2) of section 17;

(d) "Chairman" means a Chairman of the Board;

(e) "consultant" means any person appointed as such under sub-section (5) of section 14 of the Act;

(f) "Form" means a form appended to these rules;

(g) "Government" means the Government of Goa;

[(gg) "Gross Fixed Assets (G.F.A.) means the total value of the completed industry, operation, process, treatment/disposal system or an extension/addition thereto, and includes the value of land, buildings and plant/machinery."]

(3) In the said rules, in rule 2, after clause '(g)' new clause '(gg)' has been inserted as at (3) above (Series I No 44 dated 29/01/2004)
(h) "Health Officer" means the Health Officer as defined in the Goa, Daman and Diu Public Health Act, 1985 (Act 25 of 1985);

(i) "premises" means any building, structure or land used for industrial or commercial purposes where pollution occurs;

(j) "section" means a section of the Act;

(k) "State Air Laboratory" means a laboratory established or specified as such by the State Government under sub-section (1) of section 28;

[(kk) "Total Estimated Investment (T.E.I.) means the total estimated cost of the proposed industry, operation, process, treatment/disposal system or an extension/addition thereto, and includes the estimated costs of land, buildings and plant/machinery."]

(l) words and expressions used but not defined in these rules and defined in the Act shall have the meaning respectively assigned to them in the Act;

CHAPTER II
Consultants

3. Appointment of consultants. - For the purpose of assisting the Board in the performance of its functions, the Board may appoint any qualified person to be a consultant for a specific period not exceeding four months:

Provided that the Board may, with the prior approval of the Government, extend the period of the appointment from time to time:

Provided further that if at the time of the initial appointment the Board had reasons to believe that the services of the Consultant would be required for a period of more than four months, the Board shall not make the appointment without the prior approval of the Government.

4. Power to terminate appointment. - Notwithstanding anything contained in rule 3, the Board may terminate the appointment of the consultant before the expiry of the specific period for which he is appointed, if in the opinion of the Board, the consultant is not discharging his duties properly or to the satisfaction of the Board, or such a course of action is necessary in the public interest:

Provided that in cases where a consultant has been appointed with the prior approval of the Government, the termination of his appointment shall be made only with the approval of Government.

(4) In the said rules, in rule 2, after clause '(k)' new clause '(kk)' has been inserted as at (4) above (Series I No 44 dated 29/01/2004)
5. **Emoluments of consultant.** - The Board may pay to the consultants suitable emoluments or fees depending on the nature of work and the qualification and experience of the consultant:

Provided, however, that the Board shall not appoint any person as consultant without the prior approval of the Government if the emoluments or fees payable to him exceed Rs. 4,000/- (Rupees Four thousand) per month.

6. **Tours by consultant.** - The consultant may, with the prior approval of the Chairman undertake tours within the country for the performance of the duties entrusted to him by the Board and in respect of such tours he shall be entitled to travelling and daily allowances at the rate payable to a class I Officer of the Government.

7. **Consultant not to disclose information.** - The consultant shall not, without the written permission of the Board, disclose any information either given by the Board or obtained during the performance of the duties assigned to him either by the Board or otherwise to any person other than the Board.

8. **Duties and functions of consultant.** - The consultant shall discharge such duties and perform such functions as are assigned to him by the Board and it will be his duty to advise the Board on all technical matters referred to him by the Board.

**CHAPTER III**

**Notification of Air Pollution Control Area**

9. **Manner of declaration of air pollution control area.** - (1) Every notification under sub-section (1) of section 19 of the Act declaring any area in the State as air pollution control area, shall specify-

   (a) the boundaries of the area if the area is not a whole district;
   
   (b) the date on which such declaration shall come into force.

(2) A notification referred to in sub-rule (1) shall be published in the Official Gazette and at least in one English, one in Konkani and one in Marathi daily newspaper having a circulation of not less than five thousand in the State of Goa.
CHAPTER IV
Application for consent

[10. Form of application for consent and fees. –
(1) Every application for consent under sub-section (2) of section 21 shall be made in Form I(a) and shall be accompanied by fees as indicated in Table 1 below:-

<table>
<thead>
<tr>

</table>

(1) In the said rule, new forms Table 1 and Table 2 are substituted as at (1) above (Series I No. 26 dated 24/09/1988, Extraordinary No. 2)
If the T.E.I. value exceeds Rs. 20,000 lakhs, a fee of Rs. 100/- per every additional 100 lakhs shall be payable in addition to Rs. 30,100/-.

a. Any industry, operation, process, treatment/disposal system or an extension addition thereto, for which the consent to establish has been granted, shall be ready for operation within the validity period stipulated in the said consent to establish, failing which, a fresh application with requisite fees shall be made for re-validation.

b. When any industry, operation, process, treatment/disposal system or an extension/addition thereto is established, an application for consent to operate (Consent) under sub-section (1) of section 21 of the Act shall be made in Form I (b) at least two months prior to the scheduled date of commencing operation and shall be accompanied by fees as indicated in Table 2 below.

</tbody>
</table>

*If the G.F.A. value exceeds Rs. 20,000 lakhs, a fee of Rs.500/-per every additional 100 lakhs shall be payable in addition to Rs. 1,27,000/-.

c. Any application not accompanied by appropriate amount of fees shall not be entertained by the Board.

d. Fees shall be paid by a bank draft in favour of the Goa State Pollution Control Board.

e. An application for renewal of consent shall be made in Form I(b), at least two months prior to the expiry of the current Consent alongwith the requisite fees indicated in Table 2. Application for renewal of consent submitted after the validity period shall be accompanied by a penalty of 50% of the Consent fee.

f. All applications shall be accompanied by an appropriate document as specified by the Board to certify the level of T.F.I. or the current value of G.F.A. of the industry, operation, process, treatment/disposal system or an extension/addition thereto, for which the consents are sought.
11. Procedure for making enquiry on application seeking consent. - (1) On receipt of an application for consent, the Board may depute any of its officers accompanied by as many assistants as may be necessary, to visit and inspect any place or premises under the control of the applicant or the occupier, for verifying the correctness or otherwise of the particulars furnished in the application or for obtaining such further particulars or information, which in the opinion of such officer are essential. Such Officer, for that purpose, may inspect any place or premises where solid, liquid or gaseous emission from the chimney or fugitive emissions from any location within the premises are discharged. Such officer may require the applicant or the occupier to furnish to him any plans, specifications or other data relating to control equipment or systems or any part thereof that he considers necessary.

(2) The Officer referred to in sub-rule (1) shall, before visiting any of the premises of the applicant, give notice to the applicant of his intention to do so in Form II. The applicant shall furnish to such officer all information and provide all facilities for inspection.

(3) The officer may, before or after carrying out the inspection under sub-rule (1), require the applicant to furnish him orally or in writing such additional information or clarification or to produce before him such document as he may consider necessary for the purpose of investigation of the application and may for that purpose summon the applicant or his authorised agent to the office of the Board.

CHAPTER V
Authority to whom information is to be furnished

12. Furnishing of information by occupier. –The authorities referred to in sub-section (1) of section 23 of the Act, shall be the Collector of the District, the Health Officer, the Executive Authority of the municipal or local body concerned and the nearest police station.

CHAPTER VI
Manner of taking samples

13. Manner of taking samples. - (1) The person-in-charge of the premises shall provide port-holes, platforms conveniently located, for easy access and all other facilities required for taking sample of air or emission from any chimney, flue or duct, plant or vessel or any other sources and outlets, stationary or mobile, as may be required by the Board or any officer empowered by the Board in this behalf.

(2) The procedure for taking samples shall be such as may be felt necessary by the Board or any officer empowered by the Board in this behalf to suit the situation.

14. Form of notice. - Every notice under sub-section (3) of section 26 of the Act shall be in Form III.
CHAPTER VII
Report of Analysis

15. Form of report of Board analyst and Government analyst. - (1) When a sample of any air or emission has been sent for analysis to the Board laboratory, the Board analyst shall analyse such sample and submit to the Board a report of the result of such analysis in Form IV in triplicate.

(2) When a sample of any air or emission has been sent for analysis to the State Air Laboratory, the Government analyst shall analyse such samples and submit to the Board a report of the result of such analysis in Form V in triplicate.

CHAPTER VIII
State Air Laboratory

16. Functions of State Air Laboratory and fee for report. - The State Air Laboratory established or, specified by the Government shall cause to be analysed by the Government analyst any sample of air or emission received by it from any officer authorised by the Board for the purpose and shall be entitled to collect a fee for Rs.200 (Rupees two hundred) for each report.

17. Consent register. - The Board shall maintain a register in Form VI containing particulars of industrial plants to whom consent has been granted under section 21.

18. Functions to be performed by Board. - In addition to the functions specified in sub-section (1) of section 17 of the Act, the Board shall conduct -

(a) research and development work on the effect of air pollution on the environment, living and non-living;

(b) performance studies on pollution control equipment to improve their efficiency for the purpose of enhancement of air quality; and

(c) studies to determine the effect of air pollutant on the health of the people.

19. Repeal and saving. - (1) All rules corresponding to these rules and in force before the commencement of these rules, are hereby repealed:

Provided that any order made or action taken under the rules so repealed shall be deemed to have been made or taken under the corresponding provision of these rules.

(2) Notwithstanding such repeal, anything done or any action taken in exercise of any power conferred by or under the said rules so repealed, shall be deemed to have been done or taken in the exercise of the powers conferred by or under these rules as if these rules were in force on the day on which such thing or action was done or taken.

From:

-------------------------
-------------------------
-------------------------

To,
The Chairman,
The Goa State Pollution Control Board,
243-Patto, Panaji- Goa – 403 001.

Sir,

I/We hereby apply for consent to establish under section 21 of the Air (Prevention and Control of Pollution) Act, 1981 (14 of 1981).

(2) The annexure, appendices, other relevant particulars and plans are submitted herewith in five sets.

(3) I/We further declare that the statements made and information furnished in the annexures, appendices and plans are true to the best of my/our knowledge.

(4) I/We undertake to furnish any other information within ONE MONTH of its being called for by the Board. I/We further understand that only the dates on which all the relevant particulars are furnished by me/us in order to make the application complete in all respects, will be reckoned as the date of making the application, irrespective of the date of submission of the original application, which is incomplete.

(5) I/We understand that the factory/unit can be put in operation only on obtaining CONSENT TO OPERATE as per the provisions of section 21 of the Air (Prevention and Control of Pollution) Act, 1981 (14 of 1981).

(6) Accordingly, I/We undertake that the production including the trial production shall not be commenced until and unless:-

(a) all the conditions which may be set out in the grant of consent to establish are complied with.

(b) consent to operate under the Air (Prevention and Control of Pollution) Act, 1981 and/or any other relevant Act is obtained.
g. I/We understand that any condition imposed by the Board while granting consent to establish will be binding on me/my company.

I/We enclose herewith the Bank Draft No. ----------- date ----------- for Rs. ----- --------------(Rupees------------------------------------only) in favour of Member Secretary, Goa State Pollution Control Board, Panaji as fees* payable under section 21 of the Act, 1981.

Sincerely,

Signature:

*Please refer Table – I

ANNEXURE TO FORM I (a)

Note: Any application knowingly giving incorrect information or suppressing any information pertaining thereto shall be liable to be punished under the Act.

While filling this Annexure the applicant not concerned with any of the items shall state “Not concerned” against the relevant one.

1. GENERAL:

1.1 Name of the Industry:

1.2 Location of the proposed Industry:

1.3 Address for correspondence:

1.4 Name and Address of the applicant with telephone number:

1.5 Nationality of the applicant:

1.6 Status of the applicant:
   (a) Individual:
   (b) Proprietary:
   (c) Partnership firm:
       (whether registered or unregistered)
   (d) Joint family concern:
   (e) Private Limited Company :
   (f) Public Limited Company :
   (g) Government Company :
       (1) State Government:
       (2) Central Government:
       (3) Union Territory:
(h) Foreign Company:
(if Foreign company details of registration, incorporation, etc.)

(i) Any other Association or body:

1.7 Give Revenue/Survey number of land/premises for which the application is made stating District, Taluka and Village. District: Taluka: Town: Village: Revenue Survey No. Area in Hectares:

1.8 Purpose for which consent is required (1) Setting up of new industry
(2) Expansion / Diversification / Modifications

If it is for expansion/diversification/modifications, please furnish details.

1.9 (a) Total cost of the project (including cost of Land).

(5) Total Estimated investment (including cost of Land).

1.10 Number and date of provisional registration issued by Directorate of Industries and Mines for SSI units.

1.11 Date of submission of application to HPCC in case of Large/Medium Scale Industries.

1.12 Number of workers to be employed.

2. PRODUCTS AND RAW MATERIALS:

2.1 List of products and by products if any, with proposed quantity to be produced per month Licensed capacity Installed Capacity

2.2 List of raw materials used. (Quantity/month)
3. MANUFACTURING PROCESS:

3.1 Give detailed description of manufacturing process along with a process flow diagram showing the entry and exit points of all raw materials, intermediate products, by-products, water pollution sources.

3.2 Have you any foreign collaboration?

4. SOURCES OF ENERGY:

4.1 Power Load: ________________________MW/KW

4.2 D.G. Set: Rated capacity_____________ in KVA

4.3 Boiler: Rating/Steam Generation
Capacity_____________ tonnes per hour

4.4 Type of fuel used:

6.2 Do you propose to recirculate any or all the above waste streams? Yes/No

If yes, give details:

6.3 Whether effluents need any treatment? Yes/No

If yes, give details of proposed waste-water treatment plant, schematic diagram, flowsheet or detailed engineering drawing along with design details, as the case may be:
6.4 Final point of disposal of waste-water
(Give name of river, nallah, pond or survey number of land along with site clearance).

6.5 Attach Water Balance Sheet:

6.6 Indicate characteristics of waste-water to be discharged before and after treatment.

(a) PHYSICAL:
   Temperature
   pH
   Colour
   Odour
   Total Suspended Solids (mg/I.)

(b) Chemical:
   BOD (mg/I)
   COD (mg/I)
   Oil & Grease (mg/I)
   Sulphates
   Metals like Nickel, Zinc, Tin, Chromium, Cyanide

(c) Is there any discharge of specific toxic substances?

7. SOLID WASTE:
   (a) Total quantity of solid waste (tons/month).
   (b) Characteristics of solid waste
   (c) Methods proposed for treatment and disposal
      (a) Incineration
      (b) Land filling
      (c) Sale
      (d) Composting
      (e) Any other method
8. AIR POLLUTION:

8.1 Give details of air pollution sources such as process emissions, reaction on vessels, crushers, grinders, pulverisers, furnaces, boilers, power generation sets incinerators, etc. Control equipments, chimney/vents proposed for stacks. Chimney & vents diameter and height above ground level/roof level should be given for each of them:

8.2 Details of air pollution control measures with schematic diagram, flow sheet/detailed engineering diagrams, as the case may be, with respect to stack/chimney specifications, scrubber, ESP, bag filter, etc.

9. NOISE POLLUTION:

Give details of source of noise pollution such as process machinery, D.G. sets, grinders, ball mills, etc. and measures taken for control of noise from each noise pollution sources.

10. Is there any odour problem likely to occur from your industry?

11. POLLUTION CONTROL MANAGEMENT:

11.1 Expenditure proposed for Capital Recurring

(a) Water pollution Control:
(b) Air Pollution Control:
(c) Disposal arrangements:
(d) Solid waste handling:
(e) Pollution monitoring:
11.2 Total capital investment proposed on pollution control as a percentage of total investment of the industry:

11.3 Give details of the organisation proposed to be set up by you for the control of pollution:

12. Any other additional information about beneficial environmental impact from your industry:

Yours faithfully,

Signature:

Name of the applicant:

Address:

13. **ACCOMPANIMENTS:**

Following documents should invariably be attached.

(1) Land allotment/Earmarking letter or lease/Sale deed.

(2) Provisional registration in case of SSI.

(3) Approval of VP/Municipality. (Not required for units to be set up in Industrial Estates).

(4) Flow chart and detailed production process.

(5) A copy of Project Report for Projects costing one crore and above.

(6) Site Plan (not required for units to be set up in Industrial Estates).

(7) Layout plan showing the location of manufacturing equipments, water supply/drainage lines, position of chimneys, effluent treatment plant and final discharge points and septic tanks/soak pits.
(8) For medium and large scale units, environmental impact assessment and Oceanographic or other survey, if required, will have to be furnished in the prescribed time limit,

(9) Site plan showing surrounding residential area, public places, water stream, etc. of the factory site within a radius of 5 kms with waste water treatment and disposal systems clearly indicating where waste water is proposed to be disposed off (for medium and large scale units):

(10) Affidavit on stamp paper of value Rs. 5/- or Certificate from the Chartered Accountant certifying the Gross Fixed Asset Value.

(11) Original authorisation letter of the person to whom authorisation is made to sign this application form except individual proprietary concern.
FORM I (b)

(See rule 10)
(To be submitted in DUPLICATE)

Application for consent for emission/continuation of emission under section 21 of the Air (Prevention and Control of Pollution) Act, 1981 (14 of 1981)

FROM

_________________

_________________

To,
The Chairman,
The Goa State Pollution Control Board,
243-Patto,
Panaji – Goa – 403 001.

Sir,

I/We hereby apply for Consent/Renewal of Consent under section 21 of the Air (Prevention and Control of Pollution) Act, 1981 (14 of 1981) to bring into use a new/altered *stack for the discharge of emission/to begin to make a new discharge of emission/to continue to discharge emission* from stack in industry owned by me/us ________________.

The annexure, appendices, other relevant particulars and plans are submitted herewith in duplicate.

I/We further declare that the statements made and information furnished in the Annexures, appendices and plans are true to the best of my/our knowledge. I/We understand that it is an offence to make a false statement in applying for any proposed consent (vide section) 38 (f) of the said Act 1981).

I/We hereby submit that in case of any changes of the point or the quantity of the emission or its quality, a fresh application for CONSENT shall be submitted for such changes and unit such CONSENT is granted, no changes shall be made.

I/We hereby agree to submit to the Board, an application for RENEWAL OF CONSENT three months in advance of the date of expiry mentioned in the consent order.

I/We undertake to furnish any other information within ONE MONTH of its being called for by the Board.
I/We enclose herewith the Bank Draft No.________ date__________ for Rs.__________ (Rupees__________ only) in favour of Member Secretary, Goa State Pollution Control Board-Panaji as fees**payable under section 25 of the Act.

Yours faithfully,

Signature(s):

Name of the Applicant(s):

Address:

*Strick out which is not applicable.

**Please see Table-II.

ANNEXURE TO FORM I (b)

Note: Any applicant knowingly giving incorrect information or suppressing any information pertaining thereto shall be liable to be punished under the Act.

Where filling this Annexure, the applicant not concerned with any of the item shall state “Not concerned” against relevant one.

(1) Full Name of the applicant:
   (in block letters)

(2) Nationality of the applicant:

(3) Status of the applicant:
   (a) Individual:
   (b) Proprietary:
   (c) Partnership firm:
       (whether registered or unregistered)
   (d) Joint family concern:
   (e) Private Limited Company:
   (f) Public Limited Company:
(g) Government Company:
   (1) State Government:
   (2) Central Government:
   (3) Union Territory:

(h) Foreign Company:
   (if Foreign Company details of registration, incorporation, etc.)

(i) Any other Association or body:

(4) (a) Full name of Industry/Factory/Institute/Premises/
   Area/Land/Local Body with Address
   and Telephone No:

(b) Name of the person authorised to sign this form:

(5) Give Revenue/survey number of land/premises
   for which the application is made stating
   District, Taluka and Village.
   District: 
   Taluka: 
   Town: 
   Village: 
   Revenue Survey No.: 
   Area in Hectares:

(6) (a) State the month and the year in which the Industry/
   Factory/Institute/Premises/Area/Land/ was actually put
   into commission or proposed to be put into commission.

   (b) Gross Investment on the industry and year of investment:

   (d) Gross Fixed Assets value of the Industry:

(7) State the Civil/Military/Defence/
   Industrial Estate etc., under whose
   administrative jurisdiction the
   applicants land/premises is situated
   Municipality: 
   Panchayat: 
   Industrial Estate: 
   Defence Department: 
   Port trust: 
   State Government: 
   Prohibited Area: 

22
(8) (a) State whether the Land/Premises/Factory/Industry has been declared as prohibited area. Yes/No

(b) If yes, state the name of the Authority and furnish certified copy of the order under which the area has been declared as prohibited.

(9) Is the Industry/Factory for which application is made closed on any days of the week? Yes/No

If so, give the days on which it is closed.

(10) State the working season in a year for the Industry/Factory

(a) Full Year

(b) Part

From To
From To
From To
every year

(11)(a)

(b) No. of workers residing in the premises.

(12) Indicate the present use of the land in the vicinity (5 km. radius) of the:

(1) Human settlement of more than 1000 population (specify population and distance from the plants)

(2) Commercial:

(3) Industrial:

(4) Fisheries:

(5) Sanctuary/national parks/hills/monuments:

(6) Ancient monuments:

(7) Agriculture:
(13) Climatological and Meteorological details (if available):

(a) Indicate the climate conditions at site:
    (e.g. arid, semi-arid etc.)
(b) Rainfall: yearly average range.
(c) Temperature: Seasonal range.
(d) Information on speed and direction of wind.
(e) Humidity and solar radiation.

(14) Give the list of raw materials used (Tonnes/day)

<table>
<thead>
<tr>
<th>Sl. No.</th>

VII. Consent conditions if any:

By order and in the name of the Governor of Goa.
(S.T.E.) Department.

The principal rules were published in SERIES I No. 1 dated 10/04/1989 (extraordinary) and further amended vide the following notifications:-

1) SERIES I No. 26 dated 24/09/1998; (Extraordinary No. 2)
2) SERIES I NO. 44 DATED 29/01/2004;
Department of Science, Technology and Environment

Notification

15-2-89-STE

In exercise of the powers conferred by sub-section (1) of Section 29 of the Air (Prevention and Control of Pollution) Act, 1981 (Central Act 14 of 1981) (hereinafter referred to as the ‘Said Act’), the Government of Goa hereby appoints Smt. S. Thara, Government Analyst, Public Health Institute, Government of Karnataka, Seshadri Road, Bangalore, to be Government Analyst for the purposes of section 29 of the said Act.

By order and in the name of the Governor of Goa.
Maria A. Rodrigues, Under Secretary (S.T.E.)
Panaji, 4th July, 1991
Department of Science, Technology and Environment

Notification
14-1-88-STE

In exercise of the powers conferred by clause (a) of sub-section 2 of section 19 of the Air (Prevention and Control of Pollution) Act, 1981 (Central Act 14 of 1981), the Government of Goa, after consultation with the Goa State Pollution Control Board, hereby alters the air pollution control areas declared vide Notification No. GSR 765 (E), dated 16.11.84 of the Department of Environment, Government of India by extending the same to the remaining area of the State of Goa, with effect from the date of publication of this Notification in the Official Gazette.

By order and in the name of the Governor of Goa.

The Government of Goa is pleased to notify the Environmental and Pollution Control Wing Laboratory, Directorate of Health Services, as “environmental laboratory”, so recognized by the Ministry of Environment and Forests, Government of India, vide Notification No. 685 dated 24/10/1989, published in the Gazette of India, Extraordinary, Part II Section 3 Sub-Section (ii) dated 24/10/1984.

By order and in the name of the Governor of Goa.

In exercise of the powers conferred by section 54 read with sub-section (3) of Section 31 of the Air (Prevention and Control of Pollution) Act, 1981 (Central Act 14 of 1981), and in consultation with the Goa State Pollution Control Board, the Government of Goa hereby makes the following rules, namely:–

CHAPTER 1
Preliminary

1. Short title and commencement: - (1) These rules may be called the Goa Air (Prevention and Control of Pollution) Appeal Rules, 1997.

(2) They shall come into force on the date of their publication in the Official Gazette.

2. Definitions:- In these rules, unless the context otherwise requires;

(a) "Act" means the Air (Prevention and Control of Pollution) Act, 1981 (Central Act 14 of 1981);

(b) "Appellant" means any person aggrieved by and appealing against an order made by the State Board under Section 21 of the Act;

(c) "Appellate Authority" means an appellate authority constituted by the Government under section 31 of the Act;

(d) "Form" means the form annexed to these rules;

(f) "Member Secretary" means the Member Secretary of the State Board;
(g) "Section" and "Sub-section" means the section and the sub-section respectively of the Act;

(h) "State Board" means the Goa State Pollution Control Board constituted under sub-section (1) of section 4 of the Water (Prevention and Control of Pollution) Act, 1974 (Central Act 6 of 1974);

(i) Words and expression used in these rules but not defined, shall have the same meanings as assigned to them in the Act.

CHAPTER II
Memorandum of Appeal

3. Appeal to be filed by aggrieved persons.- (1) Every appeal against an order passed by the State Board under section 21 of the Act shall be filed by the aggrieved person in Form 'A' if it relates to a matter covered by sub-sections (4) and (6) of section 21.

(2) Every aggrieved person preferring an appeal shall do so separately in his own name and no joint appeal made on behalf of more than one person shall be entertained by the appellate authority.

(3) (a) Every appeal shall --
   
   (i) be in writing;
   
   (ii) specify the name and address of the appellant and the date of the order appealed against;
   
   (iii) specify the date on which the order appealed against was communicated to the appellant;
   
   (iv) contain a clear statement of facts of the case and grounds relied upon by the aggrieved person in support of the appeal;
   
   (v) state precisely the relief prayed for; and
   
   (vi) be signed and verified by the appellant or his agent duly authorised by the appellant in writing in this behalf.

   (b) Every appeal shall be accompanied by -

   (i) an authenticated copy of the order against which the appeal is made;
   
   (ii) a copy of the application made under section 21; (as the case)
   
   (iii) any document relevant to the appeal;
   
   (iv) a satisfactory proof of the payment of the fee specified under the rules.
(c) A fee of Rs.1000/- only shall be deposited by every appellant in the office of the appellate authority and an authenticated copy of the receipt obtained therefore shall be affixed to every appeal. No appeal which is not accompanied by the aforesaid copy of the receipt shall be entertained by the appellate authority.

(4) Every appeal shall be submitted in quadruplicate and shall be presented to the appellate authority either by the appellant or by his authorised agent in person or may be sent to such authority by registered post. When the appeal is presented by an agent duly authorised by the appellant, it shall be accompanied by a letter of authority written on a stamped paper of the value as required by law, appointing him as such agent.

(5) On receipt of the appeal, the appellate authority or any person authorised by it in this behalf, shall endorse thereon the date of its presentation or receipt by post and the name of the appellant or his duly authorised agent presenting it as the case may be.

4. Procedure to be followed by the appellate authority in dealing with and disposal of the appeal.- (1) The Appellate Authority shall, as soon as may be, after the appeal is filed before it, fix a date for hearing the appeal and give notice of the same to the appellant and the Member Secretary of the State Board in Form 'B'. While giving such intimation to the Member Secretary, a copy of the appeal together with enclosures received with it, shall also be sent to the Member Secretary, and he shall be called upon to send to the appellate authority all the relevant records connected with the matter.

(2) Where the material on record is insufficient to enable the appellate authority to come to a definite decision, it may take additional evidence and call for such further material from the appellant or the Member Secretary, as it deems fit. Such material shall form part of the record, but not in respect of the party other than that from whom such records has been received unless such other party has been given an opportunity to peruse such record and defend itself against anything contained therein which is detrimental to the interest of that party:

Provided that the Appellate Authority may, pending disposal of an appeal or application, at any stage of the proceedings, stay the execution of the order appealed against;

Provided further that the Appellate Authority shall not stay the execution of the order appealed against without affording the State Board a reasonable opportunity of being heard in the matter.

(3) Where, on the date fixed for hearing or on any date to which the hearing of the appeal may be adjourned, the appellant or his duly authorised agent does not appear when the appeal is called for hearing, the appeal shall be liable to be dismissed.

(4) When an appeal is dismissed under sub-rule (3), the appellant may, within thirty days from the date of dismissal of appeal, apply to the Appellate Authority for the restoration of the appeal and if it is shown to the satisfaction of the Appellate Authority that the appellant had not received intimation of the date of hearing of the appeal or was prevented by any cause, sufficient in the
opinion of the appellate authority, from appearing when the appeal was called for hearing, the
appellate authority may restore the appeal on such terms as it thinks fit.

5. Order to be in writing. - The order passed by the Appellate Authority on the appeal shall be
in writing and shall state clearly the points before it for determination, the decision thereon, and the
reasons for the decision.

6. Supply of copy of order to the appellant and the State Board. - A copy of the order passed
in appeal shall be supplied by the appellate authority free of cost to the appellant and a copy thereof
shall also be sent to the Member Secretary of the State Board.
