

PERSONAL HYGIENE AND ENVIRONMENTAL SANITATION & NUTRITION WORKSHOP

Panaji:March 03,2017

As part of the ongoing Swachhata Pakkwada by Community Food & Nutrition Extension Unit-Goa, Ministry of Women & Child Development, Government of India organized a one day workshop on Personal Hygiene and Environmental Sanitation & Nutrition at conference hall Directorate of Health Services Campal Panaji today.

The Swachhata Pakkwada which was commenced on March 1, 2017 and which will conclude on, March 15,2017.

Dr. Sanjeev Dalvi, Director of Health, Sevices, Dr.Jose D'Sa, Deputy Director of Directorate of Health Services, Smt.Sangeeta Rane, Demonstration Officer of Ministry of Women & Child Development, Government of India and others were present on the occasion.

Dr. Dalvi, in his address said that cleanliness is something which every family and community has a right to know, which need to be maintained through practice and awareness, so that people can appreciate it.

Dr. D'Sa, said that instead of waiting for others to change their attitude towards cleanliness we need to set an example for others to take up cleanliness which required to be practiced regularly. He said to achieve our goal of cleanliness, individual dedication is of utmost importance.

Smt.Sunita Perni, Medical Officer and Smt.Varsha Naik, Assistant Professor Goa College of Homes Science delivered lectures on Personal Hygiene and Environmental Sanitation & Nutrition.

Smt.Sangeeta Rane welcomed the gathering while Smt.Neeta Rane Compered and proposed the vote of thanks.
