

**MADKAIKAR REVIEWS MONSSON  
PREPAREDNESS OF SOUTH DISTRICT**

Margao: May 2, 2017

Minister for Power, Shri Pandurang Madkaikar reviewed the preparedness of the Electricity Department to deal with the forthcoming monsoon apart from all the pending and new proposals of South Goa District in the presence of Town & Country Minister, Shri Vijay Sardesai, Opposition Leader Shri. Chandrkant (Babu) Kavlekar and MLA's from South Goa..

The Minister held a meeting of the Department Officials of South Goa Divisional and Sub-Divisional officers at Matanhy Saldanha Administrative Complex, Margao, today.

The MLA's of South Goa District placed their respective various power related grievances and demands before the Minister urging him to ensure uninterrupted power supply in the District.

Shri Madkaikar urged the department officials to maintain better relationship and co-ordination with the elected representatives. He directed the officials to ensure that difficulties on all aspects be redressed immediately while urging them to keep aside differences and work towards meeting the aspirations of the people from the department.

He urged the people to use the toll free No 1912 to register their power related compliant for better redressal of the power problems.

Secretary Power, Shri Sanjay Goel, Chief Electrical Engineer, Shri L. Kolwekar were amongst those present on the occasion.
