Circular

The Department of Information Technology is making constant efforts to enhance and improve the State Portal of Government of Goa. As a step towards this, the department had launched the revamped version of the State portal i.e. https://www.goa.gov.in/ which is Mobile complaint and Disability complaint on 19/12/2016.

The State Portal hosts important information pertaining to Government Departments/Corporations/Autonomous Bodies such as Departmental Schemes, Tenders, PIO/APIO information, Contact Details, Citizen Charter etc. This information needs to be regularly updated in order to facilitate correct and latest information to the citizen.

It has been observed that the above information does not reach to this office in time bound manner thereby affecting Timely Updation of the State Portal.

In view of above, all the Government Departments/Corporations/Autonomous Bodies are once again requested to provide the information on regular basis, whenever there is change in existing content or any additional content is to be uploaded on the portal, to the official email addresses of this department i.e. stateportal.goa@nic.in & ssdg-helpdesk.goa@nic.in.

Further, for any assistance and information it is requested to contact the Toll Free Helpdesk at 1800-233-5060.
