Subj : Provision of Section '7' of the Aadhaar Act 2016

Dear Sir,

As per the provisions of Section '7' of the Aadhaar Act (Targeted delivery of Financial and other subsidies, benefit and services) 2016 and also as per the relevant provisions of the State Aadhaar Act, Aadhaar is being asked to identify beneficiaries for different schemes.

However, section '7' of the Aadhaar Act itself clarifies that the alternate and viable means of identification shall be offered to a resident if Aadhaar number is not assigned, for delivery of subsidy, benefit or services.

Hence, it may please be clarified to all concerned departments and users of Aadhaar that alternate identification be offered to a resident if Aadhaar number has not been assigned to him for receiving any services, subsidy or benefit.

Circular

Subject: Exception handling in Public Distribution Services and other welfare Schemes

Section 7 of the Aadhaar (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2016 provides that:

"The Central Government or, as the case may be, the State Government may, for the purpose of establishing identity of an individual as a condition for receipt of a subsidy, benefit or service for which the expenditure is incurred from, or the receipt therefrom forms part of, the Consolidated Fund of India, require that such individual undergo authentication, or furnish proof of possession of Aadhaar number or in the case of an individual to whom no Aadhaar number has been assigned, such individual makes an application for enrolment:

Provided that if an Aadhaar number is not assigned to an individual, the individual shall be offered alternate and viable means of identification for delivery of the subsidy, benefit or service."

2. Various Ministries/Departments have issued notification under Section 7 of Aadhaar Act to require Aadhaar / Aadhaar authentication for delivery of various benefits, subsidies or service for which the expenditure is incurred from, or the receipt therefrom forms part of the Consolidated Fund of India.

3. It has come to notice that some beneficiaries are being denied the benefit, subsidy or service for various reasons such as not having Aadhaar; failure of authentication; and other extraneous circumstances like electricity outage, internet connectivity issues etc despite above provisions of Aadhaar Act and other adequate mechanisms to handle such exceptions already provided in the Regulations and notifications issued under Section 7.

4. Therefore, the following exception handling mechanism and back-up identity authentication mechanisms may be followed for implementation to ensure seamless delivery of subsidy, benefit or service to beneficiary:

- a. Till the time Aadhaar is assigned to a beneficiary, he/she shall be provided subsidy, benefit or service based on alternate identification document as notified by the Ministry/Department in the relevant notification issued under the provision of Section 7 of the Aadhaar Act, 2016. The notifications also give powers to both Central Ministry and State Governments (as the case may be) to add more alternate documents depending on local conditions.
