

SPECIAL DRIVE TO ENROLL VOTERS FROM NOV 15

Margao: November 13, 2017

The Election Commission of India has decided to conduct a Special Drive from 15/11/2017 to 30/11/2017 to improve the health of Electoral Rolls by enrolling all eligible citizens and deleting the dead/absentees/ shifted voters.

The booth Level Officers (BLOs), will undertake house to house visits to collect the information during this period.

The objective of the Special Drive is to maximize registration of eligible electors, to remove entries of dead and permanently shifted electors, to correct errors in the electors details in all languages of Electoral Rolls, obtaining family details/ contact details etc to provide better electoral Services, to identify overseas Indian electors/ un-nrolled Indian citizens living abroad and to obtain information about the existing Polling Stations.

During the field visits BLOs will prepare a data base for the prospective electors, who would become eligible for enrollment, as a voter on or before 1st January, 2019.

The Collector & DEO South have appealed to the General public to avail the facility of the said Special Drive by cooperating with their respective BLOs by correctly sharing all their details. Voters are also informed that services being offered under Special drive are available at online portal i.e. NVSP <http://www.nvsp.in> & on <http://eci.nic.in> which can be accessed at a click of a button.
