

## GOVT TO BUILT E-MODULE ANGANWADI: RANE

Panaji: December 24, 2017

This is an era of informative and competitive world stated Health Minister Shri Vishwajeet Rane and stressed the importance of education and informed that the Government will built e- module Anganwadi by spending approximately Rs 6 crore at Keri Padeli and Velasa in Sattari taluka.

Speaking at the Annual Day and prize distribution function of Government High School at Morlem in Sattari, yesterday, Shri Rane said we have to impart education to our children from the childhood and felt the need to provide better facilities in Anganwadi's to bring them on par with Play School in urban areas.

Speaking further, Shri Rane said education is significant in every aspect of human life and urged everyone to strive hard to achieve the desired goal. In this competitive world we ought to acquaint oneself with latest technology. Internet plays a very important role in this competitive world for self-progress, he remarked.

Shri Rane also appealed to the teachers to impart practical knowledge as per the trend of this competitive world along with the routine syllabus to make the youth hands on with any tasks.

Speaking on the occasion Ex- Chief Minister and MLA Shri Pratapsingh Rane highlighting the importance of education said that in this global village, education is need of hour to survive on par with air and water.

Earlier, Health Minister Shri Vishwajeet Rane also attended the Annual Social Gathering of Shri Hanuman Vidhyalay Valpoi.

Shri Rane distributed prizes and also felicitated meritorious students on the occasion.

Shri Devesh Pednekar, President, Valpoi Education Society welcomed the guests and Shri Vishnu Joshi proposed vote of thanks.
