

STOP WORK ORDER ISSUED WITH REGARDS TO HILL CUTTING IN MORJIM

Panaji, November 30, 2017

Agrahayana 9, 1939

The Flying Squad Team of the Collector North has inspected the property bearing Survey No. 196/1A at New Wada of Morjim Village, Pernem Taluka and has reported that hill cutting has been carried out for area measuring about 35.00x8.0x1.5mts (approx) and also development of mud roads by cutting of hill admeasuring height of 1.5 mts and for length of 184.00 mts (approx) in the said property and therefore prime facie the activity appears to have caused violation of provision of section 17-A of the Town and Country Planning Act 1974 and other regulations.

The Dy. Collector (DRO) incharge of Flying Squad Team, North Goa District has directed order also states that if the concerned persons, to immediately stop the said work and to explain as to why action should not be taken against them for restoration of the said land back to its original condition within three days from the receipt of this order.

The authority has further said that if the concerned fails to produce the required documents, it will be presumed that he/she is not in possession clearance required for the said construction and the Town and Country Planning Department will proceed to take action towards the restoration of the said land in question and further needful action as deemed fit by various authorities as per law.
