

DATABASE OF CANDIDATES ASPIRING TO CLEAR NET/SET FOR COLLEGE LECTURER'S POST

Panaji, January 8, 2018

Pausa 18, 1939

The Government under the Directorate of Higher Education has initiated to prepare a database of candidates aspiring to clear NET/SET. And accordingly a training programme (subject-wise) to impart training on NET/SET examination would be conducted.

It has been observed that many regular vacancies of lecturers post are vacant, due to non- availability of NET/SET qualified categories. Due to which vacancies also remained unfilled on regular basis and at the same time many aspirants for the post of lecturers could not get employment although there are vacancies because they have not cleared NET/SET examination.

In order to gather the desired information, a questionnaire is being made available to all the Colleges/Institutions/University/Government Offices in the State to be filled in by candidates aspiring to clear NET/SET examination and become college lectures. The last date to submit the same is January 31, 2018 and can be submitted to any of the Colleges/Universities in Goa or can be directly posted or hand delivered at the Directorate of Higher Education, Porvorim-Goa. The questionnaire can also be downloaded at www.dhe.goa.gov.in. and submitted at the Directorates Office at Porvorim.
