

HOMEOPATHY HAS BRIGHT FUTURE: SHRIPAD NAIK

January 6, 2018

Pausa 16, 1939

Homeopathy is a progressing day by day and it will soon become of the most preferred branches of medicine. India is the leader in Homeopathic medicines and will prosper in upcoming years. Homeopathy has a very bright future,” stated Union Minister of State (Independent Charge-IC) for AYUSH Shri. Shripad Naik. He was addressing the 14th Convocation Ceremony of Shree Kamaxidevi Homeopathic Medical College, Shiv Shail, Shiroda. MLA of Shiroda Shri. Subhash Shirodkar, Principal Dr. S.D. Naik, Medical Superintendent Dr. Francis Fernandes, Internship in-charge Dr. S. K. Barik, faculty Dr. R.B. Dessai and Resident Medical Officer Dr. Ritesh Shet were present on the occasion.

The Minister in his address asked the students to enhance their knowledge and develop skills in this area. “To provide a global position to homeopathic medicines, the students must take on research studies and gain expertise. In-depth knowledge will boost your confidence level. Do not feel inferior about this line of medicine. Instead, overcome fears and try to contribute to a social cause. As a doctor, you will be looked up with respect, never let it down,” said the minister.

“Homeopathy is a science which consists all the components of nature. People do not know about its powers and hence, awareness should be made. The AYUSH ministry will take due steps in order to provide it a good platform,” he said. He also advised the students never to forget their *alma-mater* and teachers.

MLA Shri Shirodkar in his presidential address congratulated the students and advised them to gain higher knowledge in the field in order to make Homeopathy World’s best medical line. He advised the new doctors to work with commitment and perseverance and serve for a noble cause in the society.

Principal Shri. S.D. Naik welcomed the gathering. The Minister presented passing certificates to the student which was followed by delivering the Hahnemannian Oath by Dr. Francis Fernandes.

Dr. Ritesh Shet proposed the vote of thanks. The program was attended by teachers, students, and parents in large numbers.
