Panaji, February 28, 2018

Phalguna 9, 1939

To prevent Suicide, '**Life is Precious**' video produced by Goa State Commission for Protection of Child Rights was released at the hands of Adv.Subhalaxmi Naik, Chairperson of Women's Commission at Secretariat Porvorim today.

On the occasion, Adv.Subhalaxmi Naik who was the chief guest for the function said that Depression in children can be caused by any combination of factors that relate to life events, family history, and environment. Parents almost always want the best for their children. In order for kids to meet parent expectations, though, they must perform well during the school years. Many parents put intense pressure on their children to earn perfect grades, no matter the cost. This type of enormous pressure of studies and performance can backfire, leading to social, emotional and physical stress. Frequent and intense conflict or fighting between parents also has a negative impact on child she said.

Adv. Naik further said that we as a parent fail in knowing our child .we want our child to grow how parents want to see them grow. It is duty of parent to give love affection to the child. This Video released today should be given to all schools and colleges so that parents can be aware of the changes in their child if they found out any.

Shri. Gajanan P. Bhat, Director of Education who was guest of honour for the function assured that efforts will be made to make this CD available through Parents Teachers Association in all educational institution.

Also present were Smt. Padma Jaiswal , Secretary Goa State Commission for Protection of Child Rights ,Dr. Sushma Kirtani, Chairperson Goa State Commission for Protection of Child Rights .

Ms Prachi Khandeparkar compered the programme and Dr. Sushma Kirtani proposed the vote of thanks.
