

DATABASE FOR ALL THE EMPLOYED AND UNEMPLOYED PERSONS TO BE PREPARED

Panaji, February 28, 2018
Phalguna 9, 1939

The Office of the Commissioner, Labour and Employment, Government of Goa proposes to prepare a database of all the employed and unemployed persons in the State of Goa. This data will not only guide the Goa Government in formulating new schemes for the employees working in various organizations but also assist the Government in formulating efficient policies and procedures to ensure welfare of the employees in the state and have built a good work environment for the employees. In order to achieve the same all the employers are requested to cooperate with the department by providing the data in the prescribed format.

All the establishments, factories, industries and shops are requested to provide your establishment and current employees details by visiting the website <http://www.geleservices.com/GEL/EmployerDataUpload.aspx> and download the “Employee Data Format” and “Aadhaar Consent Format”. Fill in all the data requested in the above two formats. For “Aadhaar Consent Format” ensure each page has consent in header and signature of each employee is taken. Fill employer information on the website and upload Employee Data Format (Excel) and Aadhaar Consent Format (Pdf) to the website and should be uploaded before March 15,2018. For any assistance contact 9225905914/ 0832-2437081 or your respective Labour Office.
