

RDA MINISTER LAUNCHES DEVELOPMENTAL WORKS IN GUIRIM

Panaji: April,24,2018

The Minister for Rural Development Agency Shri Jayesh Salgaonkar launched the work of improvement and reconstruction of existing nallah at Agniwada Guirim in Bardez Taluka today. The estimated cost of the work is Rs. 22 lakhs and would be taken up by the GSIDC.

Smt Chaitali Morajkar, Sarpanch Village Panchayat Guirim, Shri Gabriel Fernandes, Ward Member. Shri Cozmy Cardozo, Social Worker, Shri Shri Milind Gaude, and others attended the function.

Shri Salgaonkar interacting with the media person said that he aims to provide for the people of Saligao constituency basic amenities like water, uninterrupted power supply, proper quality roads etc. To tackle garbage problem in this area education and awareness required among the people which he said would be done with the cooperation of local people. He thanked the Government for adequate cooperation for the development of Saligao Constituency. He is of the opinion to create permanent venue like SARAS in Guirim wherein handicraft items of different states of the country could be housed under one roof for the accessibility of the tourists and this will become continuous source of revenue for Guirim Village Panchayat .

Shri Salgaonkar also said that the work of widening, construction, improvement and hot mixing of internal roads will be taken up soon. The Government he said has sanctioned an amount of Rs. 100 crores for up gradation of Chogum road attached to NH 17.

Shri Cosmy Cardozo, Social Worker praised the Minister for his endeavor for the development of Guirim village and appeal to the people to cooperate with the Minister for future development.
