

20TH LIVE STOCK CENSUS BEGINS FROM OCT 1

Panaji, September 27, 2018

Asvina 5, 1940

The 20th Livestock Census field work will start from October 1, 2018 across the country.

In Goa the census operation commences in full earnestness from October 1, 2018. During census period field enumerators will visit each household to record the number of animals according to their breeds and characteristics, Poultry birds and fisheries activities.

The enumerators will visit house at anytime of the day to collector the required information the resident of Goa are therefore requested to extend full co-operation and give the correct information to the field staff appointed by the Directorate of Animal Husbandry and Veterinary Services Pashusamvardhan Bhavan.

The data collected will be compiled to prepare census of the Livestock population which is the main source of data required for proper planning and formulation of any programme/scheme meant for bringing further improvement in the Livestock and Dairy Sector which in turn will increase the GDP of the country.
