

SHRI ROHAN KHAUNTE LAUNCHES GOA ASSEMBLY WEBSITE

Panaji: September 07, 2015

The Minister for Information & Technology Shri Rohan Khaunte launched the website www.vidhansabha.goa.in for the Department of Legislature, at a function held at Secretariat Porvorim yesterday.

Shri Khaunte speaking on the occasion said that the website of legislature will help to provide the information of how Goa has evolved as a state. He said as we move into a digital era which expect us to be more accountable and transparent. He also said that we are living in the world of and science and technology. Technology has made our task easy, as technology changes so we have to change accordingly.

Shri Khaunte further said to make the effective functioning of the hands working behind a digital skilling would be started from the month of October. This he said will help them to upgrade their knowledge and work efficiently.

The Speaker of Goa Legislatively Assembly Dr. Pramod Sawant while speaking on the occasion said that we are successful in making the working of Goa Assembly paperless than that of other states. He said the website of our Government is well updated than any other states except that of Lok Sabha and Rajya Sabha. Through this website people will be able to get information of Goa State Assembly right from the beginning, information of past and present MLAs, the various bills introduced, number of questions and the budget speeches, all business and assembly related documents etc.

Shri Victor Gonsalves, Vice-President Goa Legislators Forum, Shri Mohan Amshekar, Secretary, Legislators Forum, HoDs of various Government Departments were present at the function. Shri Nilkanth Subhedar , Secretary Legislature welcomed the guests
