**Sub:- Site inspection Report-Regarding**

As part of Business Reform Action Plan (BRAP) 2019 recommendations published by DIPP, Government of India, the Department of Town and Country Planning is required to comply with their recommendations. One of the recommendation #30 are to issue directions that inspections (except in case of complaint based inspection) should be limited to the parameters mentioned in site inspection format.

In light of the above, all the Planning and Development Authorities and District / Taluka Level offices of the Department are directed to restrict the scope of site inspection, at the time of issue of Technical Clearance/ Development permission to only the parameters mentioned in the report Format (except in case of complaint based inspections) available at [https:// www.goa.gov.in/department/town -and-country-planning](https://www.goa.gov.in/department/town-and-country-planning)
