

ECOLOGY EXISTS SINCE THE BEGINNING OF CIVILIZATION: AYUSH MINISTER

Panaji. July 6, 2019

Union Minister of State (IC), Ministry of Ayush and Mos Defence, Shri Sripad Naik, has said that the human beings were interested in ecology since the beginning of civilization. He said even our ancient scriptures have included practices and values related with ecological and environmental conservation.

Shri Naik was speaking at a Vanmahotsava programe organized by the Goa Forest Department in association with Goa Institute of Management, Sankhali and Goa Tamnar Transmission Project Ltd. at GIM campus in Sankhali today.

Speaking further Ayush Mnister said, the protection and preservation of environment is integral to our culture and religion. The best thing in our life is that we are getting free oxygen, it is the plants that produce oxygen which is the starting point of all food chain, he added.

The Union Minister appealed to the students to come forward and contribute positively for the preservation of our environment by planting trees. He urged, to take utmost care of the plants that are planted by the students.

Dr. Subhash Chandra, IFS, the Principal Chief Conservation of Forest, Dr. Ajit Parulekar, Director of Goa Institute of Management and Shri Santosh kumar, Dy. Chief Conservator of Forests graced the occasion.
