

## **SANKALP Project**

Skills Acquisition and Knowledge Awareness for Livelihood (SANKALP) project aims to implement the mandate of the National Skill Development Mission (NSDM), through its core sub-missions. The project will be implemented in mission mode through World Bank support and aligned with the overall objectives of the NSDM.

SANKALP aims at convergence in short term vocational training ecosystem and between short & long term vocational education.

The main objectives of the project includes:-

- a) Strengthened institutional mechanism at National and State levels to guide planning, delivery and monitoring of market relevant training,
- b) Improve quality and market relevance of Skill Development programs
- c) Improve access to and completion of skills training for female trainees and other disadvantage groups and
- d) Expanding skills training through private –public partnership (PPP).

The proposal pertaining to the State of Goa is submitted to MSDE, Govt. of India on 10/12/2018 for approval, however, a revised proposal is to be submitted in line with revised guidelines issued by MSDE, Gol.
