

ENGINEERS PLAY AN IMPORTANT ROLE IN DEVELOPMENT: SHRI KAVLEKAR

Panaji, September 16, 2019
Bhadra 25, 1941

The Institute of Engineers India, Goa Chapter organized a function to commemorate the centenary celebration year of its inception and to celebrate “Engineers Day” at a function held at Hotel Vivanta in the city yesterday. The Deputy Chief Minister Shri Chandrakant Kavlekar was the Chief guest who inaugurated the function.

Shri Kavlekar speaking at the function said that infrastructural development is not possible without engineers. They have an important role to play in this sector. They work hard, plan properly, and provide an accurate outlay of the project to make development possible. Their hard work and commitment needs to be recognized. He assured to redress the grievances of the institute.

MLA and Chairman of Goa State Horticulture Corporation Shri Pravin Zantye in his address urged the engineers and architects to cooperate with the Government in the process of development.

The Chief Executive of Smart City Project, Shri Swayamdipta Rai Chaudhari said in order to provide people quality living needs to strengthen basic infrastructure like water, power, roads, health, etc. To accomplish this objective he said proper data and effective implementation is necessary. The cities have an enormous problem than that of rural areas. He said this is an area where engineers have an effective role to play.

Shri Chandrakant Prabhu Desai, Chairman of the Institute of Engineers India, Goa Chapter welcomed the gathering. While Shri Anwar Khan, Secretary proposed the vote of thanks.
