

PWD MAKING CONSTANT EFFORTS FOR REMOVAL OF POTHOLES

Panaji, September 16, 2019
Bhadra 25, 1941

The Public Work Department (PWD) is making constant efforts for repairs and maintenance works pertaining to removal of potholes, road safety etc. However during the developmental works, discomfort is caused to the commuters and traffic. The Government is conscious of this short term discomfort, and is working for further convenience of the public at large. Government machinery is constantly working towards attending such short comings.
