

SCHEME OF FAMILY COUNSELLING CENTRE

The scheme of Family Counselling Centre was introduced by CSWB in 1983. The Family Counselling Centres provide counselling, referral and rehabilitative services to women and children who are victims of atrocities, family maladjustments and social ostracism and also provide crisis intervention and trauma counselling in case of natural disasters. The Centres also create awareness and mobilize public opinion on social issues affecting status of women. The FCCs work in close collaboration with the local administration, police, courts, free legal aid cells, medical and psychiatric institutions, vocational training centres, short stay homes etc.
