"EXPRESSIONS"

The Release of Magazine on the occasion of International Women's Day

"Expressions" is nothing but presenting the activities, projects undertaken by the elected women representatives from October 2017 to February 2018. The newly elected committee was formed in September 2017. After the installation the GPMSA has done so many projects which are highlighted in this magazine.

This was possible due to the financial help, support and generosity of Shri Narayan Bandekar eminent social worker Managing Director of Bandekar Group of Industries who has been kind enough to sponsor and contribute towards the release of this magazine.
