DHS APPEALS PUBLIC TO AVOID UNNECESSARY VISITS TO THE HOSPITALS

Date: March 23, 2020

The Directorate of Health Services has appealed to the public in general to avoid unnecessary visits to hospitals, adhere to social distancing and contribute to the fight against Covid-19 (Corona virus) infection.

The Health Department has noticed that the normal routine cases, non critical and non emergency, which do not require immediate medical attention are been gathered in the Government hospitals, creating rush and crowding during on going Janata Curfew in the state.

DHS has requested full cooperation from public during this period
