

MEASURES TO PREVENT THE SPREAD OF COVID 19

Panaji: [March 26](#), 2020

The National Disaster Management Authority has decided to direct Ministeries and Departments of Government of India, States Authorities to take measures for ensuring social distances to prevent the spread of Covid 19 in the country.

Executive Committee has issued guidelines under Disaster Management Act 2005. Further it has been decided that all petrol pumps and LPG Agencies will operate in their present adopted routine with the directions which includes that the LPG agencies will be operational and would provide on home delivery of cylinders. The petrol pumps and LPG agencies shall operate with the bare minimum staff and shall adhere to safety and health guidelines issued by Health Authorities from time to time.

The petrol pump and LPG agency owners will ensure that the staff is provided with sufficient number of masks and hand sanitizers. The owners of petrol pump and LPG agency owners should collect the curfew pass permit from the Office of the District Collector or their authorized representatives.

It is also directed that no dispensation of petrol and Diesel is allowed in bottles or any storage containers. And it is also advised to collect money either in digital form or in the money box designated for the purpose in exact change.
