Additional Travel Advisory (I) for COVID-19 on Home Isolation

More than 100 countries across the world now have reported cases of COVID-19. People traveling to these countries or people who have travelled abroad might possibly have come in contact with people affected with COVID-19 during their stay or even while in transit at the airports. Within these countries, few countries have reported very large number of cases and deaths putting passengers from these countries particularly at higher risk of infection.

Accordingly, in addition to the consolidated travel advisory issued on 6 th March, 2020, the following are advised:

- i. All incoming international passengers returning to India should self-monitor their health and follow required Do's and Dont's as detailed by Government.
 - ii. Further, all passengers having travel history to China, Hong Kong, Republic of Korea, Japan, Italy, Thailand, Singapore, Iran, Malaysia, France, Spain and Germany are advised to undergo self-imposed quarantine for a period of 14 days from the date of their arrival. If such passengers are working in some organizations/institutions, their respective employers are advised to facilitate work from home during this period.
 - iii. With respect to restrictions on visa, besides the already issued instructions, all regular Visas (including e Visas) which have been granted to nationals of France, Germany and Spain on or before 11.03.2020 and where these foreigners have not yet entered India stands suspended.
 - iv. Regular visas (including e Visas) granted to all foreign nationals who have travel history to these countries on or after 1.2.2020 and who have not yet entered India also stands suspended.
 - v. Visas of all foreigners already in India remain valid and they may contact the nearest FRRO/FRO through e-FRRO module for extension/conversion etc of their visa or grant of any consular service, if they choose to do so. A detailed notification to this effect is being issued by the Bureau of Immigration (BOI).

All these proposed interventions shall be in force till 31st of March, 2020. They will be reviewed as per the evolving situation.

The following interventions are proposed:

1. Closure of all educational establishments (schools, universities etc), gyms, museums, cultural and social centres, swimming pools and theatres. Students should be advised to stay at home. Online education to be promoted.
2. Possibility of postponing exams may be explored. Ongoing exams to be conducted only after ensuring physical distance of one meter amongst students.
3. Encourage private sector organizations/employers to allow employees to work from home wherever feasible.
4. Meetings, as far as feasible, shall be done through video conferences. Minimize or reschedule meetings involving large number of people unless necessary.
5. Restaurants to ensure handwashing protocol and proper cleanliness of frequently touched surfaces. Ensure physical distancing (minimum 1 metre) between tables; encourage open air seating where practical with adequate distancing.
6. Keep already planned weddings to a limited gathering, postpone all non-essential social and cultural gatherings.
7. Local authorities to have a dialogue with organizers of sporting events and competitions involving large gatherings and they may be advised to postpone such events.
8. Local authorities to have a dialogue with opinion leaders and religious leaders to regulate mass gatherings and should ensure no overcrowding/at least one metre distance between people.
9. Local authorities to have meeting with traders associations and other stakeholders to regulate hours, exhibit Do's and Don'ts and take up a communication drive in market places like sabzi mandi, anaj mandi, bus depots, railway stations, post-offices etc., where essential services are provided.
10. All commercial activities must keep a distance of one meter between customers. Measures to reduce peak hour crowding in markets.
11. Non-essential travel should be avoided. Buses, Trains and aeroplanes to maximize social distancing in public transport besides ensuring regular and proper disinfection of surfaces.
12. Hospitals to follow necessary protocol related with COVID-19 management as prescribed and restrict family/friends/children visiting patients in hospitals.
13. Hygiene and physical distancing has to be maintained. Shaking hands and hugging as a matter of greeting to be avoided.
14. Special protective measures for delivery men/ women working in online ordering services.
15. Keep communities informed consistently and constantly.
