

CM'S PUBLIC APPEAL

Date:11th April 2020

In the interest of people of Goa and the state, Directorate of Health Services, Government Of Goa will be conducting a statewide community door-to-door survey from 13th April 2020 to root out coronavirus from Goa.

Survey will be conducted by Government staff which includes BLO/Talathi/Anganwadi workers/Primary teachers by visiting every house in the state. Survey shall be targeted to inquire about the health conditions of the residents, their travel history including that of the neighbour's. In order to ensure social distancing, no surveyor shall enter the house during the survey adhering to the safety norms and precautions required to prevent the virus spread.

Considering the health of all the citizens, Government Of Goa appeals to extend full support from citizens by providing correct information to the surveyors and thus help the government's fight to eradicate the Coronavirus COVID-19 outbreak.
