The Secondary School Certificate Examination to be conducted by the Goa Board of Secondary and Higher Secondary Examination was postponed by competent authorities due to Corona Virus Outbreak and fresh dates were to be announced giving at least 10 days notice to the candidates.

The Education Department vide a circular has now informed that as the students who will appear for the said examination will be in a state of dilemma due to the ongoing situation, they need to be supported by their parents as well as their teachers. The Department, therefore, has directed the Heads of the Institutions to ensure that teachers should remain in constant touch with the students through electronic media as per their convenience and provide proper guidance whenever required so that the students are at ease and are also prepared for the examination.
