After deliberation on the current situation, the SEC noted and decided the following:

1. Status of COVID19: Secretary Health informed that no new Covid-19 case has been
detected after 3rd April 2020. As on date, Goa has had seven positive cases of
Covid-19, and all seven patients have recovered. After recovery, these patients were
shifted to a Quarantine facility outside the Covid Hospital, as per norms for further
quarantine. 153 tests for Covid (this includes tests done on the samples collected so far
of those who were surveyed during the House-to-House survey), were done during the
last 24 hours, on SAR/ILI patients, all of which were negative. The SEC noted with
cautions that Goa had not yet faced any community transmission.

2. The SEC deliberated on the SOP to be followed for the inter-state movement of the
student, migrant workers, pilgrims, tourists, and other persons stranded due to
lockdown. Shri Kunal, Nodal officer made a detailed presentation to the SEC. After
deliberation, the SEC decided the following course of action:
   a. Director, IT will create a web portal for people to register themselves, to be able
collect the data for planning the movements. For those who may not be able
access the online platform, for different reasons, the following was prescribed:
      i. Food Helpline data, of over 50,000 needy people, needs to be analysed.
      ii. Director, Panchayet to undertake a Panchayet level survey, through
Panchayats, for details of persons who want to go to their home States.

4. PCE(PWD) informed that water supply is normal in the State. As directed by the SEC, the department has resolved the issue of the blockage of the water pipeline in New Vaddem, Vasco.

5. Commissioner (Excise) informed that the liquor manufacturers have produced about 4.37 lakh liters of hand sanitisers.

9. The Nodal Officer for Quarantine facilities informed that a total of 108 persons are sheltered in six quarantine facilities. He is visiting these facilities regularly.

10. Shri Santosh Kumar, District Observer informed that some additional steps could be taken to facilitate smooth movement of trucks at Pollem border checkpost. 11. Director, Transport informed that 154 buses were operational today and ferried 2162 government staff and healthcare workers. The number of relief buses was 53. The SEC advised the Director, Transport to further rationalise the use of relief buses in
