COMMON SET OF DEVIATIONS

SR. NO.	VOLUME / CHAPTER / CLAUSE / ITEM NO.	CLARIFICATION SOUGHT/CHANGES SUGGESTED BY THE PROSPECTIVE BIDDERS	DESCISION OF GSIDC
1.	Volume II	The make and vendors of kitchen and hospital furniture which you have mentioned in the documents are not sure about their supplies as their stock is exhausted in the past three months and production is going on almost at 40-50% capacity. Hence we request you to add flexibility in the make and vendors adding as equivalent in the tender document with the same quality and specification.	Strictly as per tender conditions / specifications.
2.	Volume I	The monsoon is going to start which may not hamper our internal work but it will affect on supplies hence the period should be increased to 9 months.	Strictly as per tender conditions / specifications.
3.	Volume I	The labour condition across the board the availability is very less, moreover labours are not much positive to move for other states etc. If covid-19 situation affects (like containment of site area etc.) if the same then you must consider those facts and increase the period of execution due to such delay.	Strictly as per tender conditions / specifications.
4	Volume I	The tender document has not provided any SOP on covid -19 working conditions, hence if you feel any such guidelines to be followed then that will be added in the bid amount. Also early completion of work should be rewarded.	Strictly as per tender conditions / specifications.
