**Condolence Message**

I am distressed to learn about the sad demise of Shri Lalji Tondon, Governor of Madhya Pradesh. He was one of the most senior leaders of BJP, extremely experienced, a great administrator, polite and very friendly.

When I relinquished the office as Governor of Bihar, it was Shri Lalji Tondon, who took over. During his tenure in Bihar he worked tirelessly for the education sector. He served as a Minister in Uttar Pradesh for longtime where he worked for welfare of the people. He had a very close association with late Shri Atal Bihari Vajpayee and was the incharge of his election cell.

It is sad to see that his generation leaders are gradually vanishing from the world which I consider as a great loss to the nation. I convey my heartfelt condolences and sympathy to his bereaved family.

Om Shanti!
