**Refer: Circular no. DE/Accts/2020-21/532 dated 16/07/2020**

**Clarification**

In continuation of the above referred circular, it is clarified that since all the staff members of the GIA sections of the Directorate of Education engaged in processing the salary bills of the Aided Schools have been placed under home quarantine, the work of preparation of salary bills has been hampered.

Therefore, it is informed to all concerned that the salary disbursal for the current month is likely to be delayed. Once the staff members rejoin the duties, the salary bills will be processed.

This issues with the approval of Government.
