I am glad that I had an opportunity to serve in a beautiful State like Goa. During my tenure in Goa, which was almost 10 months the experience has been nothing but pleasant.

Goa is blessed with natural beauty. The people of Goa are very warm and generous. I have got tremendous love from the people of Goa. Goa has its own unique identity. People have their own way of living. I would love to visit Goa in times ahead and the State of Goa will always be very close to my heart. As I depart tomorrow, I wish to convey my best wishes to the people of Goa. And pray that the State remains strong with all its solidarity and harmony.
