In exercise of powers conferred by Government Order No. 23/20/2014-I/PHD/Part IV/553 dated 13/03/2020, the Government of Goa issues the following directives for the purpose of Prevention and Control of Coronavirus diseases (CONVID-19) as under:

All Private Hospitals and Nursing Homes are hereby directed by Government of Goa to mandatorily report on foreign nationals undergoing treatment at their facilities to the respective Health/Medical Officers I/c of CHC/PHC/UHC of the jurisdiction. Goa has many private hospitals that are frequented by foreigners. This is required as some of them may have arrived before the imposition of visa restrictions and they have to be traced & screened to ensure that the foreign nationals aren't carriers of novel coronavirus.
