PUBLIC NOTICE

Attention of all concerned is hereby drawn to the provisions of section 6 of Goa School Education Act 1984 and Rule 46 of Goa School Education Rules, 1986 wherein it is mandatory for every school recognized by Directorate of Education to have a scheme of management and school managing committee in place.

Further, attention is also drawn to Rule 74 and Rule 76 according to which the school managing committee is the authority for recruitment and promotion. However, it is observed that in some cases instead of the competent authority as per Rules, the society is getting involved in the procedure which is highly objectionable.

Furthermore, such societies are communicating directly with the Directorate of Education for seeking NOC and approvals of such appointments done by them, which is again not as per laws.

All concerned are therefore strictly directed to follow the procedure as laid down in the Goa School Education Act and Rules, regarding recruitment and promotion.

All potential candidates are also required to take note of the above as several cases have come to light wherein the selected employee was put in hardship because of the faulty recruitment procedure and the societies have tried to pass the responsibility on to the Directorate of Education.

Correspondence received in contravention to the rules will not be entertained and the authority undertaking the process shall be held responsible for the consequences if any.
