Notification

4/40/2017/HT&C/37

The Government of Goa is pleased to frame the Scheme ‘Swavalamban Yojana for Handicrafts Artisans’ (Handholding Support for Handicrafts production and marketing) as under;

1. *Short title & commencement*.— (i) The scheme shall be called as “Swavalamban Yojana for Handicrafts Artisans”.

(ii) The scheme shall come into force from the date of its notification in the Official Gazette.

2. *Introduction*.— Handicrafts, one of the oldest practiced occupations in Goa covering variety of products in different designs and patterns for purposes covering almost everything required to meet the household demand for a simple living of the people in the villages. Items of Bamboo Crafts, Wood Crafts, Coir Crafts, Pottery and Ceramic Crafts, Metal Crafts, Handloom Weaving of Kunbi sarees etc. were very popular in Goa. Food cooked in the pottery is considered good for health. Goan artists design attractive earthen ware, with its deep, rich, red surface, animal figures like horses and elephants, ornamentation are famous in Goa. The products commonly made include pots, toys, money banks, flower vases of different shapes

and sizes. Water flower pots are the main items and are the hot selling item. Panels are also made here in a unique artistry way. Red clay is commonly used in designing images of gods and goddesses, animal shapes and flower pots.

Production of these Handicrafts products have dwindled in the last two decades and these crafts are in the languishing condition. There were many craftsmen practicing the Handicrafts for their livelihood. For many of them Handicrafts was their only source of earnings with items produced were to meet the local household demand. Scarcity of the required types of raw material, its rising prices and more so, many of these items produced by them have no demand due to substitutes available in market rendering them to leave their traditional occupation and work as daily wage labourers or do some other activity. Younger generation these families are not keen in these Handicrafts production and have almost forgotten the art and the skill required for the purpose. It is therefore necessary to impart skill to these families for producing value added decorative products of Bamboo Crafts/Wood Crafts/Metal Crafts/Pottery and Ceramics/Coconut crafts/Jute Crafts/Embroidery/Crochets/Batik printing/dress stitching, Tailoring etc. which have high demand by the tourist visiting the State, which would give very good earnings to the artisans in the State.

A Scheme "Integrated Skill Development Scheme" and renamed as Vishwakarma Kaushal Yojana 2014, is the only scheme implemented by the department to impart required skill to train the artisans, semi-skilled, school dropout, women folk to produce the handicrafts items. Very few trainees after getting trained have remained in the Handicrafts production and many are leaving the occupation. On the basis of the contact programs held with the Handicrafts practising traditional families and focused discussion with the stakeholders with regard to the present condition of the Handicrafts artisans, it is revealed that many of the trainees after completion of the training did not have their

own tools/equipments for making decorative crafts items. Tools required are custom made to suit their traditional style of working with crafts like for bamboo, pottery, metal, coir crafts, wood crafts etc. Furthermore, after putting so much of labour and efforts to source the raw material required and to manufacture the crafts when the products were delivered at the GHRRSIDC, they were getting the payments only after the product is sold. Their working capital was therefore blocked till the product is sold and under the circumstances they had no income to buy the raw material for continuing the further production of Handicrafts products.

Traditional Bamboo Artisans are mainly from SC community, Pottery Artisans are mainly from Kumbhar community, Wood Crafts Artisans are mainly from Chari Community, Metal Crafts etc. were mainly were community based. All these artisans are now living in very poor conditions. There are thousands of Handicrafts artisans in the State. Thousands of applications have been presented to the DC Handicrafts, Ministry of Textiles, GoI for registration of the Handicrafts Artisans of Goa. Presently the issuance of Artisan Identity Card is underway for the Artisans of Goa and it is seen that very few Applications have been received in the Crafts of Bamboo, Pottery, Wood Crafts, Metal Crafts, Coconut Crafts which are languishing Crafts in the State of Goa. Efforts are needed to locate these artisans, motivate them and bring them in the main stream of the production of Handicrafts.

At present there is tremendous demand from tourists visiting Goa for the Handicrafts products which are value added, decorative and fancy items such as Bamboo Blinds, Lamp Shades, Flower Vases, Wall Hangings, Trays, Clay ornaments, statues, pots etc. Handicrafts artisans, therefore, need State support to exploit the ready market potential for the Handicrafts of Goa. Over a period of 5 years, Department proposes to touch the lives of 1100 Artisans for handholding and to bring them in the mainstream of producing and marketing Handicrafts items for ensuring

economic prosperity of the artisans in the State and revival of the traditional, languishing handicrafts of Goa.

It is, therefore, felt necessary to provide handholding support and financial assistance for the capacity building of the Handicrafts Artisans under the Scheme "Swavalamban Yojana for Handicrafts Artisans".

3. *Objectives.*— (1) The objective of the scheme "Swavalamban Yojana for Handicrafts Artisans" is to provide handholding support to enable artisans to enhance their capacity to produce and market their handicrafts products.
