## FINANCIAL ASSISTANCE FOR INFRASTRUCTURE OF POULTRY FARM (2018)

1. *Short title and commencement.*— Financial Assistance for Infrastructure of Poultry Farm (2018). ..... Will commence from the date of notification in the Gazette.

2. *Introduction.*— The poultry meat and eggs have been widely accepted by majority populace in Goa all the more Goa being a favorite tourist destination it has resulted in very high demand for the poultry products. The Poultry farming involves a huge investment for infrastructure and specially for civil construction of Poultry sheds. Due to escalating construction cost there is big hike in capital investment and it is beyond the reach of new farmers of low income groups to start a new poultry farm. Farmers are hesitant to go in poultry farming due to economic viability issue and Poultry farming in the State of Goa has observed a downward trend.

The fact is that it is very difficult for the farmer to repay the Bank loan from the returns/ /Profit received from farming activities. The issue led to negative impact on poultry Farm and new Farmers are reluctant to start the farming. Major portion of the poultry requirement is met by bringing it from neighboring states. It is the need of the hour that the poultry activities be accelerated so that employment is generated for the local youths.

This scheme is prepared for augmenting poultry production in State of Goa.

6. *Quantum of financial assistance under the scheme.*— The maximum quantum of one time financial assistance will be as under:
