**Sub: Regarding Fishing Activity and Permission to sell fish during lockdown
for COVID-19**

Sir,

With reference to the above cited subject and your representations, it is to inform you that most of the vessels unloaded during lockdown period have stored their catch in the Cold Storages/ Processing plants in the State. Therefore, Society may contact the Processing units in the State and work out for the sale of fish in various Panchayats and Municipal areas through insulated truck or Mobile vans. You may also do home delivery of the same.

Further, those Societies/Associations willing to conduct the sale of fish may contact the Department of fisheries with all details.
