### SOP's for Tabulation of SSC Result 2021

- ❖ 1) For those candidates Regular or CWSN who have not appeared for practical Exam for some reason, Practical Exam to be conducted through online or viva or based on Internal Practical Marks.
- ❖ 2) If CWSN referring average is not available then marks to be standardized based on their performance viz-viz the performance of other candidates in the class.
- ❖ 3) If the subject offered in class X is not offered at class IX than average marks of similar subject or average of grand total should be considered as performance of class IX.
- ❖ 4) Regular Candidates offering only two languages in class IX than average of the two languages to be considered as marks for third language in class X as performance of class IX.
- ❖ 5) For Mathematics Level 1 and Mathematics Level 2, the marks of both levels have to added and compared with level 1 reference average.
- ❖ 6) Candidates who have withdrawn the applications are eligible for supplementary Exam.
