

**ADMISSION FOR  
POST GRADUATE DEGREE PROGRAM IN DENTISTRY (M.D.S.)**

The Goa Dental College & Hospital is a professional Institution established by the Government of Goa in June 1980. This Institution is affiliated to the Goa University and recognized by the Dental Council of India. It is the only tertiary dental care centre in the state and has been rendering specialized services through nine departments in various specialities, which provide the students with clinical exposure and experience in imparting dental care to the patients.

The Goa Dental College & Hospital offers the B.D.S. degree program, which comprises of a four year course and a one year compulsory paid rotating Internship with an intake capacity of 50 seats. Every year over 1,00,000 patients are being treated in this Institution; with an average OPD of 100 new patients per day.

In order to open avenues for Research and specialized dental care, the Dental College offers a Post graduation program in different specialties as indicated below:
