

Indians fully vaccinated with Covishield or another UK approved vaccine
can travel to UK

Panaji:October 11, 2021

Asvina 19, 1943

Office of Commissioner for NRI Affairs has informed that the UK Government on [October 7](#), 2021 has announced that Indian travellers who are fully vaccinated with Covishield or another UK approved vaccine can travel to the United Kingdom without going through the quarantine process upon arrival in the U.K. from [October 11](#), 2021 onwards.

Thousands of Goan travellers who are settled in the UK and those who are travelling for various other reasons to the United Kingdom will be benefited by this decision. Adv. Narendra K. Sawaikar, Commissioner for NRI Affairs has welcomed this decision of the UK Administration and has thanked Prime Minister of India, Shri Narendra Modi, for his approach and for his pro active steps taken by convincing the UK Administration to allow the Indian travellers who are fully vaccinated to seamlessly travel to the United Kingdom.

Mr. Alexander Ellis, British High Commissioner to India has confirmed the above decision on twitter and has thanked the Indian Government for close cooperation over last month.
