COLLEGE RULES AND REGULATIONS

1) GENERAL RULES OF CONDUCT AND DISCIPLINE:

- All the students are responsible to the Principal, Vice Principal and staff members of the college for their general conduct both inside and outside the college.
- Students conduct in the classes as well as on the campus should be such that it will not cause any disturbance to fellow students, staff members and the normal functioning of the college. If found guilty of misconduct, then he/she may be expelled or directed to leave the college immediately.
- Every student should clearly display his/her valid identity card which he/she should instantly produce when asked for by the college officials. If the student is found without an ID card, will be fined for **Rs 100/-** per day. All teaching & non-teaching have authority to ask for ID card. **ID card should be surrendered to the college Cashier at the time of cancellation of admission.**
- Use or display of mobile/cell phones and/or any other music instruments/gadgets in the class rooms and college premises is strictly prohibited and forbidden during instructional and examination days. Even possession of any of these gadgets is forbidden in the examination halls. In case of violation for the 1st time, will be charged **Rs 500/-** per day & subsequently. The gadget will be instantly confiscated and will be retained by the college till the end of semester VI which may be handed over to the Parent/Legal Guardian after the declaration of result of that Semester.
- Every student is expected to be in the class-room well in time.
- Students during their free time should visit college library and should not disturb the other classes that are in progress.
- Students are not allowed to attend lectures other than their own class-lecture except with the due permission from the teacher concerned.
- Students will not be permitted to go outside the campus during interval time. The college gate will remain closed from 9:30 a.m. to 1:45 p.m. If the student wants to leave the premises for any personal reasons, parents have to send a written note for the same. Faculty can permit a student on reasonable ground to leave the campus with written note and there after produce the same to the security.
- Every student is expected to deal with the college property with due care and should help in keeping the premises neat and clean, considering the college as a continuation of his/her home. **Any damage done to the college property is a breach of discipline and will be dealt with severely. Students suspected or found guilty are liable for paying the recovery and/or expulsion. Disfiguring of college property is punishable and students found guilty or suspected of this type of act will be expelled** from the college with immediate effect.
- No student is allowed to smoke and spit within the building. If found guilty, will be punishable under the Governments Prohibition of smoking and spitting Act.**
- Possession and consumption of Drugs or intoxicants within the college campus is prohibited. No student is allowed to take liquor or any drugs.** Even outside the college campus, he/she is expected to keep up to a very high moral and social behavior so as to uphold the name of the college.
- No student shall collect any money as contribution for picnics, trip, get-together, charity, meeting or any other activity without the permission of the Principal. No Society or Association or Union shall be formed in the College and no person shall be invited to address any meeting without the Principal's prior and proper permission.
- Complete silence should be maintained in library and premises around, and in the corridors when classes are going on.

- xiv) **Any student found guilty of ragging another student will be expelled from the college or punished as per the rulings of Central and State Government. Students should read the UGC Regulations on curbing the menace of Ragging in Higher Educational Institutions, 2009 printed in this prospectus and are required to give a declaration along with** a declaration by the parent/guardian in the annexure provided regarding Anti-ragging.
- xv) **One should not indulge in any act of sexual harassment. Any act of sexual harassment should be brought to the notice of the Principal, Vice-Principal or the Committee for Prevention of Harassment of Women at Work Place of the college for taking due action in this regard.**
- xvi) If for any reason, the continuance of a student in the college is detrimental to the best interests of the college, then the Principal can ask such a student to leave the college without assigning further reasons. In extreme cases, the student may be dismissed and/or rusticated from the college.
- xvii) Students should read the notices displayed from time to time on the college notice boards. However some urgent notices may be read out in the classrooms.
- xviii) Students are not allowed to meet any outsider or ex-student in the college premises without the permission of the Principal/Vice-Principal. However, if any family member or relative comes to meet the students, they can make an entry in the Gate Register and meet them at the college guest lounge.
- xix) Any breach of the above rules will be dealt severely. **Genuine difficulties of the students should be put forth in writing to the Principal/ Vice-Principal and every effort will be made to solve the genuine difficulties with due consideration.**
- xx) The Principal's and/or the Committee of teacher's decision in all matters of the college shall be final and binding on all.
- xxi) It is binding on all the students to come to the college after having breakfast at home and /or bring packed breakfast or lunch on all college days. If not, they should have some food from the canteen.
