

## **VERIFICATION OF WATER SUPPLY BILLS**

Panaji: [December 27,2021](#)

Office of the Chief Engineer –I, PWD has informed water supply consumers that if there is any discrepancy noted in the water supply bills issued to them by Public Works Department, they can approach the Assistant Engineer –Water supply with the water supply bill who will verify the bill and inform the consumer and re-issue bills wherever required which may have occurred due to technical issues.

It is further stated that during this period for all such cases the consumers may not pay the water supply bill and the arrears will be adjusted in the subsequent bill to be generated.

All the consumers are requested to kindly take note of the same and it is also informed that no water supply connection released by the Department will be disconnected for all such cases.
