Swachh Vidyalay Puraskar was successfully launched on 10<sup>th</sup> January, 2022 by the Hon'ble Minister of state for Education, Dr. Subhash Sarkar.

The launch of SVP 2021-22 assumes additional importance during the existing situation of the COVID pandemic as it will help assess the situation of water, sanitation and hand washing facilities as well as hygienic behavior to ensure prevention of COVID transmission. Compliance of any school with COVID appropriate behavior will ensure that parents get the confidence of sending their wards to schools at the time of re-opening, once the situation of COVID pandemic is under control.

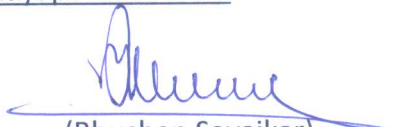

It may be noted that getting an award and 5 star ranking is not the only objective of Swachh Vidyalaya Puraskar, rather the key objective is to have sustainable, child friendly, gender and divyang appropriate, climate resilient water, sanitation, hand washing facilities in schools besides adherence to hygienic as well as COVID appropriate behavior in schools once they re-open.

All Heads of Govt./Govt.aided/unaided primary/Secondary/higher secondary & special schools are hereby requested to ensure (100%) participation of schools in the SVP 2021-22.
