No. Acad/Circular/146/Misc/2021/301

Dated:- 16/03/2022

C I R C U L A R

As per guidelines of Ministry of Health & Family Welfare, State of Goa will start vaccination of children in the age group of 12-14 years from 16th March, 2022.

As the beneficiaries in the said age group is mostly from std. VI to VIII, the vaccination will be held in the premises of the respective high schools.

Children will be given two doses of vaccine intramuscularly with a gap of 28 days.

All Heads of Govt./Govt. aided/unaided secondary and special school is hereby requested to follow below mentioned instructions:-

1. To obtain consent from the parents of eligible students in the above age group for covid vaccination with CORBEVAX vaccine only.
2. To provide space for vaccination with provision for well ventilated three rooms as per the Protocol of Government of India, so that the vaccination is conducted by adhering to covid appropriate behavior.
3. To depute necessary staff like two teachers, clerical staff and a peon to assist vaccination team in consultation with health officer of nearby health centre.

(**Bhushan Savaikar**)
Director of Education
