

WORLD MALARIA DAY ON APRIL 25

April 20, 2022

Chaitra 30, 1943

The National Vector Borne Disease Control Programme, Directorate of Health Services has organised the State Level Function of World Malaria Day at the conference hall of Institute Menezes Braganza, Panaji on April 25, 2022 at 10.15 am.

World Malaria Day is observed on April 25th every year to emphasis on strategies to control and reduce the malaria burden. This year the theme is “Harness innovation to reduce the malaria disease burden and save lives”. In order to commemorate the day, awareness activities are organized throughout the State.
