

CM INAUGURATES BIO-MEDICAL WASTE TREATMENT FACILITY AT KUNDAIM

Panaji: [May 13, 2022](#)

Government is seriously working on proper waste management strategy to make the State free from Garbage menace by setting up the separate waste treatment facilities for construction and Industrial waste stated Chief Minister Dr.Pramod Sawant [today](#). He was speaking on the occasion of inauguration of Common Bio-Medical Waste Treatment Facility at Kundaim Industrial Estate.

Chief Minister Dr.Sawant informed that the BioMedical Treatment facility will cater to a large number of Medical and Healthcare services in the State thereby resolving the issues of disposal of biomedical waste.

The Chief Minister lauded the efforts of Goa Waste Management Corporation for setting up the Common Bio-Medical Waste Treatment Facility in a record time of 11 months. This plant will help to boost the treatment and disposal mechanism of Bio – Medical waste within the State of Goa to great extent, CM further added.

CM also informed that, the Government is setting up facilities for construction waste at Kudchire and for Industrial waste at Pissurlem thereby putting the State on forefront in effective waste management.

Minister for Science &Technology, Waste Management Shri. Antanasio Monserrate expressed happiness as the Bio-Medical Treatment Facility is set up at Kundaim much ahead of schedule date of completion. He appealed to the Healthcare and Medical service providers to avail the benefit of the facility.

The Common Bio –Medical Waste Treatment Facility has been developed under PPP model wherein the Goa Waste Management Corporation has provided 10,000 [sq.mt.](#) of land to concessionaire M/s Biotic Waste Solutions Pvt.Ltd which for operating the facility.

Chairman, Goa State Pollution Control Board Shri.Mahesh Patil spoke on the occasion. Managing Director, Goa Waste Management Corporation Dr.Levinson Martins and others were present on the occasion.
