B) Centrally Sponsored Scheme under Pradhan Mantri Matsya Sampada Yojana (PMMSY)

Government of India has launched “Pradhan Mantri Matsya Sampada Yojana” (PMMS) schemes under the “Aatma Nirbhar Bharat Yojana” at the time of infection of coronavirus. PMMSY, marking the historically largest investment in the Fisheries sector, aims to drive ecologically healthy, economically viable, and socially inclusive growth that contributes meaningfully towards the economic prosperity and wellbeing of fishers and fish farmers as well as to the food and nutritional security of the country.

The aim of the scheme is to bring about Blue Revolution through the sustainable development of the fisheries sector over a period of five years (2020-2025). Achieving ambitious targets requires systematic and strategic enhancement of production and productivity, infusion of technology, quality improvement of seed and feed, value addition, species diversification and an enabling regulatory framework that would facilitate the penetration of fisheries activities deeper into the Exclusive Economic Zone (EEZ).

List of the Pradhan Mantri Matsya Sampada Yojana (PMMSY) and their pattern of assistance are available on the site of <http://dof.gov.in/pmmsy> or www.fisheries.goa.gov.in at the link provided below:-
