Brief Guidelines for Expression of Interest for

“Empanelment of eligible Manufacturers/Dealer of Solar Grade Mirror for promotion of Concentrated Solar Technologies Works & Project Development”

1- Objective: Energy efficiency is an important accompaniment to renewable energy. Energy savings should be realized before implementing new-generation capacities. To raise awareness of the technical and economic potential of the Concentrated Solar Technologies (CST we need to create reference systems. The limiting factor of many CST is the space for mounting the collector field. Collectors include mirrors or reflecting surfaces that reflect the incoming radiation onto a focus, where the solar receiver is placed. The collectors' efficiency strongly depends on the reflector material. Mirrors have an essential role in various solar thermal technology applications.

2- Qualification criteria for Empanelment of the Manufacturer/Dealer:

Sr.no	The Manufacturer/Dealer	Documents to be submitted
A	Technical Criteria:	
1	The Manufacturer / Dealer should be in existence for a minimum of five year as any of the following: a) Company registered under the Companies Act1956/2013 b) Company registered under Limited Liability Partnerships(LLPs) act2008. c) Partnerships firm registered under Partnerships Act 1932. d) Proprietorship Firms e) MSME registered with Central/ State Government authority (NSIC,SIDC,DIC)	Incorporation/registration certificate issued by competent authority along with GSTIN, PAN-Card, MSME Certificate
2	The Manufacturer/Dealer should be - recognized by MNRE/ have MNRE Approved Reflectivity Certificate	Empanelment notification issued by MNRE/ Reflectivity Test Report by any MNRE Approved research institute, University Department.
3	The Manufacturer/Dealer should have	Copies of Work

	successfully supplied/commissioned CST work For the Manufacturer/Dealer already registered with GEDA having valid registration certificate issued by GEDA for the current year should have successfully commissioned	Awards/POs/LOI Commissioning and synchronization certificates
4	The Manufacturer/Dealer should provide 5 years of warranty of Solar Grade Mirror	Warranty Certificate issued by Manufacturer on Rs. 100 /- non-judicial stamp paper
5	The Manufacturer/Dealer should not have been defaulted against any Work/Service against any of the previous Orders placed by any State/ Central Government/Public sector undertakings/ Private Sector as on the date of submission of documents	Self-declaration letter by Authorized signatory with name & seal
6	The Manufacturer/Dealer should not have been blacklisted by any State/ Central Government/Public sector undertakings/ Private Sector as on the date of submission of documents	Self-declaration letter by Authorized signatory with name & seal
B	Financial Criteria
