

GU TO START B.VOC IN ELECTRONICS AND INSTRUMENTATION

June 2, 2022
Jyaistha 12, 1943

Goa University has begun the admission process for Bachelor of Vocation (B.Voc.) in Electronics and Instrumentation at University Science Instrumentation Centre (USIC), School of Physical and Applied Science (SPAS) for the academic year 2022-23.

The application for the admission will be accepted through online mode only. The eligibility for the course is XII Std in any stream from recognized board. Interested candidates are requested to visit Goa University website www.unigoa.ac.in for more details.

The B. Voc. Degree is offered under vocational programme based on National Skills Qualifications Framework (NSQF) and approved by University Grant Commission (UGC), New Delhi. NSQF is an initiative by Ministry of Human Resource Development (MHRD), Government of India to develop skills and knowledge among the students in alignment with needs of industry as a part of driving economic growth and social development of the country.

The course will provide vertical mobility to the students to pursue Masters and Research degree programme mapped at NSQF level 8-10. The B.Voc. curriculum is designed in consultation with industry partner D-Link Academy and Sector Skill Council.

The application fees for the course is Rs. 600/- for the general category, Rs. 300/- for the SC/ST category candidate from Goa. Differently abled candidates will be exempted from the payment of application fees.

The last date to apply for the course is **June 10, 2022**. The aptitude assessment / interview will be held on **June 15, 2022** in University Science Instrumentation Centre at Goa University. The Merit list will be declared on **June 17, 2022** and the course will commence from **June 20, 2022**.

The admission are purely based on merit list prepared on the basis of an aggregate of 40% marks of XII Std and 60% of an aptitude assessment/Interview.
